Case or Utility Company: Quail Creek Water Rate Increase  
Docket #: W-02514A-14-0343  
Position: Con

The proposed rate increase for 1 lines is discriminatory. I will not use any more water than my neighbors who have a different meter and I should be charged the same rate. I paid extra for the line when I bought the house so I should not be charged again. If this proposal is approved, then I am requesting a smaller meter for my house so that I can get the lower water rate!!
